## Biography Matthias Monoton

Matthias Monoton is a young, aspiring DJ from Steyr, Upper Austria. In 2011 he took some tracks from artists like Stephan Bodzin, Marc Romboy and Extrawelt, started to spin the decks and to develop the faculties one needs as a newcomer to make an impact. On the journey to further sharpen his skills he decided to throw his own parties and give himself and fellow DJs in the town a stage and the chance to show their musicianship to an enthusiastic crowd. Because he never missed an opportunity to DJ he improved very quickly in every aspect that is relevant for a successful DJ, and soon the hard work should pay off. In 2014 Mike Vinyl, the mastermind behind Injectionmusic spotted the young talent and shortly after he was recruited. Now, for Matthias, all doors are wide open and he can deliver his sophisticated musical mix that reaches from whopping Techno to pumping Tech House to an even bigger crowd. But keep in mind – the trip for the charismatic and ambitious Matthias has just begun.
